PRESENTING THE
1964

GREEN

KNIGHT

Foreword

To those who open this book: "Welcome!" The 1964 GREEN KNIGHT staff hopes that as you turn the pages you will find the events of this school year pictured faithfully.

This year was basically the same as any other year. we studied, had fun, and experienced moments of trial and error. We went to games and dances. Voices were hoarse from rooting for the team. There were moments of glory for some of us in sports, music, and dramatics. We shared the reality of examinations and semester grades. These are only a few of the impressions that filled our school year.

We thank everyone who helped us this year. We have tried to turn out a good GREEN KNIGHT. As we go our separate ways, we hope you will treasure the memories of Clintwood High this book has stored for you.

Every day he deals with student problems, supervises school activities and maintains strict discipline in a fitting blend of authority and understanding.

CLINTWOOD HIGH SCHOOL

Dear Seniors,

Challenges come in many ways. They are invitations to us to do our best.

You have met challenges in the classroom; you have met them in forensic contests, in science fairs, and in sports competitions. You have met them in club activities.

We hope your years at Clintwood High School have prepared you to meet successfully the challenges that will come your way after graduation. Our best wishes go with you as you leave to meet new challenges as you take your place in society.

John Fitzgerald Kennedy 1917 — 1963

"We shall pay any price, bear any burden, meet any hardship in order to assure the survival and the success of liberty."

We place this page at the end of our book, not in lack of respect, but that our last thought will be of the man who lost his life in protecting our freedom so that we might enjoy the activities pictured in this book.
